by the D. Gl against one of the appointments provided for High Schools in the revised scale. as none of the College Staff has since been transferred to the High School Staff

This has apparently created a justification for increasing the High-school cadre from 78 to 79; but why this increase should happen in the 50-4-70 grade and not in the lowest grade is not clear.

3. The D. Gl. however refers to the temporary appointment of one Mr. H Nalappa, B.A. on Rs 50 which has been ordered to continue until further orders (vide Ed. a. No. 1036-7 — Edn 28-13 dy 25th July 1913), but it is a question whether this cannot go into the 15 appointments on Rs 50-4-70 or into the five appointments on Rs 50 provided in the revised scale.

SIR,

I have the honour to inform you that in Government Order

R

No.6590-2/Edn.82-12-4 dated 30th December 1913 sanctioning the revision of the Educational grades there have been shewn under Colleges 28 appointments and under High Schools 78. The additional appointment of the Assistant Professor of Chemistry sanctioned for the Central College in Government Order No.10207-8/Edn.163-12 dated 14th June 1913 subsequent to my sending up the proposals for revision has not been included in the Government Order. Including this appointment there should have been shown under Colleges 29 appointments.

2. In the revised gradation list however submitted to Government for approval with my letter No.14793/746 dated 14th May 1914, I have taken the additional appointment as Assistant Professor of Chemistry against the vacancy of Mr. B. Vasudeva Rao

Rao in the Maharaja's College who was transferred to the Hassan High School in Government Order No.2713-4/Edn.88-12-3 dated 30th September 1912, and the number of appointments under Colleges need not therefore be increased by 1; it may remain at 28 as sanctioned.

3. Under High Schools, however, the total number of appointments may be raised from 78 to 79 by the inclusion of an appointment in the grade Rs.50-4-70. Government have already sanctioned a temporary additional appointment on Rs.50 for the High School Department of the Maharaja's College in Government Order No.1036-7/Edn.28-13-2 dated 25th July 1913, which has not been included under High Schools in the order sanctioning the revised Cadre of Educational officers. It is this appointment that is now recommended for inclusion.

I have the honour to be,
